orientation, pregnancy or maternity, religion or belief or special educational needs, subject to overriding considerations of safety and welfare.

- 9.2. **Positive action:** the Academy may afford pupils of a particular racial groups, or pupils with a disability or special educational needs, access to additional education or training to meet the special needs of the pupils in that group, for example, special language training for groups whose first language is not English.

The Academy uniform policy is consistent with this policy: the same Academy uniform policy applies equally to all pupils, irrespective of their gender, gender assignment, race, disability, sexual orientation, pregnancy or maternity, religion or belief or special educational needs, subject to considerations of safety and welfare. However, the Academy will consider reasonable requests to alter the Academy uniform, for example, for genuine religious requirements and reasonable adjustments for disabled children.
- 10.2. **Symbols of faith:** certain items of jewellery, such as the Kara bangle worn by Sikhs, and certain items of headwear, such as the turban and headscarves may be worn by pupils when doing so is genuinely based on manifesting religious or racial beliefs or identity. This is subject to considerations of safety and welfare and the Academy's existing Academy uniform policy principles (in regards to, for example, the Academy colours). Where there is uncertainty as to whether an item may be worn under this section, the issue must be referred by the pupil or his/her parents to the Principal, whose decision will be final,

subject to the complaints procedure.

- 10.3. **Disabled pupils:** reasonable adjustments may be required to the Academy uniform for disabled pupils who require them. The pupil or his/her parents should refer the matter to the Principal to ensure all reasonable adjustments are made to accommodate the pupil.

12. Disability and special educational needs

- 12.1. **Our approach:** we are an inclusive Academy which welcomes member of the Academy community with disabilities and special educational needs. We maintain and drive a positive culture towards inclusion of disabled people and those with special education needs in all the activities of the Academy and we will not treat a member of the Academy community less favourably on these grounds without justification. We will do all that is reasonable to ensure that the Academy's curriculum, ethos, culture, policies, procedures and premises are made accessible to everyone. Our disability policy and policy on special educational needs are consistent with this policy. For a copy of these policies please contact the Academy Administration Office.

- 12.2. Discrimination may be direct or indirect, or arising from disability and it may occur intentionally or unintentionally. This policy covers the following forms of discrimination.

12.2.1. **Direct discrimination:** direct discrimination occurs when a person is treated less favourably than another person because of a Protected Characteristic. For example, rejecting an application of one race because it is considered that they would not "fit in". This would be a decision based on grounds of their race and would be direct discrimination. Direct discrimination also occurs when a person is treated less favourably because of their association with another person who has a protected characteristic (other than pregnancy or maternity). For example, if a pupil is harassed or victimised because a sibling is disabled, this would be direct discrimination.

12.2.2. **Indirect discrimination:** indirect discrimination occurs where an individual is subject to an unjustified provision, criterion or practice which puts them at a particular disadvantage because of, for example their sex or race. For example, a minimum height requirement would be likely to eliminate proportionately more women than men. If these criteria cannot be objectively justified for a reason unconnected with gender, they would be indirectly discriminatory on the grounds of gender.

12.2.3. **Discrimination arising from disability:** discrimination arising from disability occurs when a disabled person is treated unfavourably because of something connected with their disability and the treatment cannot be shown to be a proportionate means of achieving a legitimate aim. For example, where a pupil with cerebral palsy who is a wheelchair user is told they will be unable to attend an Academy trip because there is no wheelchair access available and other options are not investigated.

- 12.3. **Reasonable adjustments:** the Academy has an ongoing duty to make reasonable adjustments for disabled pupils and pupils with special educational needs in respect of the education and associated services provided to ensure that such pupils are not placed at a substantial disadvantage in comparison

with other pupils. This is a broad expression that covers all Academy life, for example:

12.3.1. the curriculum

12.3.2. classroom organisation and timetabling

12.3.3. access to Academy facilities

12.3.4. clubs and visits

12.3.5. Academy sports

12.3.6. Academy policies

12.4. Reasonable adjustments may typically include:

12.4.1. allowing extra time for a dyslexic child to complete an exam

12.4.2. providing examination papers in larger print for a child with a visual impairment

12.4.3. rearranging the timetable to allow a pupil to attend a class in an accessible part of the building

12.4.4. arranging a variety of accessible sports activities

12.5. In making reasonable adjustments the Academy is required to provide auxiliary aids and services for disabled pupils where to do so would be reasonable. The Academy will carefully consider any proposals made by parents/carers and will not unreasonably refuse any requests for such aids and services.

12.6. As well as providing educational services, the Academy provides services to the public, for example at:

12.6.1. open days

12.6.2. parents' evenings

12.6.3. concerts and plays

12.6.4. exhibitions

12.6.5. conferences

12.6.6. Use of sports facilities.

12.7. When providing such services the Academy will make reasonable adjustments to ensure that disabled people are able to use the Academy's services as far as is reasonable to the same extent and standard as non-disabled people.

12.8. For reasonable adjustments for staff please see the equal opportunities for staff in the Employment Manual.

12.9. **Informing the Academy:** parents/carers of pupils are required to notify the Principal in writing if they are aware or suspect that the pupil (or prospective pupil) has a disability or if they (either parent), the

pupil (or prospective pupil), or any close relations have at any time had, or has a learning difficulty. Parents/carers must provide copies of all written reports and other relevant information upon request. Providing the Academy with such information will enable the Academy to support the pupil as much as possible. Confidential information of this kind will only be communicated on a “need to know” basis. The Academy will have due regard to any request made by a parent/carer or pupil (who has sufficient understanding of the nature and effect of the request) to treat the nature or existence of the person’s disability as confidential.

12.10. **Special Educational Needs Co-ordinator (SENDCo):** The Academy’s SENDCo is Laura Winsbury

12.11. **Access:** the Academy will monitor the physical features of its premises to consider whether disabled users of the premises are placed at substantial disadvantage compared to other users. Where possible and proportionate, the Academy will take steps to improve access for disabled users of the premises. The Academy has an accessibility plan, which is kept under review and revised as necessary. The plan is available on request from the Academy Administration Office.

13. Pupils with statements of special educational needs or EHC Plans

13.1. The Academy’s policy on special educational needs includes details about the welfare and educational provision for pupils with statements of special educational needs or EHC Plans.

14. Pupils with English as an additional language

14.1. Pupils with English as an additional language will receive additional learning support if necessary. The Academy will consult with the pupil and the parents as appropriate. The Academy has appropriate welfare support for all such pupils through the supportive House culture.

14.2. **Language and culture:** The Academy will ensure that:

14.2.1. home-academy links are made to involve parents/carers directly in the work of the Academy

14.2.2. interpretation and translation services are made available as quickly as possible

14.2.3. links are established within the community

14.2.4. staff will work effectively with other local services

14.2.5. learning support for ethnic minority pupils is efficient and effective

14.2.6. provision is made for spiritual, moral, social and cultural education, supported by appropriate resources and information; and

14.2.7. pupils’ names should be accurately recorded and correctly pronounced. Pupils should be encouraged to accept and respect names from cultures other than their own.

15. Provision for pupils with particular religions, dietary, language or cultural needs

15.1. The Academy will, when informed by parents/carers of particular religious, dietary, language or cultural needs, engage with families in a supportive way to seek to meet these needs within the other policies and procedures of the Academy.

16. Training

- 16.1. The Academy ensures that regular guidance and training is arranged on induction and at regular intervals thereafter so that staff and volunteers understand what is expected of them by this policy and have the necessary knowledge and skills to carry out their roles.
- 16.2. The level and frequency of training depends on the role of the individual member of staff.
- 16.3. The Academy maintains written records of all staff training.

17. Record Keeping

- 17.1. All records created in accordance with this policy are managed in accordance with the Academy's policies that apply to the retention and destruction of records.
- 17.2. All reported breaches of this policy will be recorded and this record will be reviewed annually by the Principal.
