<sup>1</sup> A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application.

<sup>2</sup> A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

<sup>3</sup> This includes children who were adopted under the Adoption Act 1976 (see Section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see Section 46 adoption orders).

<sup>4</sup> Child arrangements orders are defined in Section 8 of the Children Act 1989, as amended by Section 12 of the Children and Families Act 2014. Child arrangements orders replaced residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order.

<sup>5</sup> Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

## Admission Arrangements 2022-23

---

- 8.2.2. All applicants must meet the minimum requirements for the individual A Level or vocational subjects they wish to study.

Students not having met a grade requirement in their chosen subjects will be offered alternative subjects (if available) for which they have met the required standard. This information will be available on our website at <http://www.gwacademy.co.uk/sixth-form>

- 8.2.3. Applicants must be under the age of 19 at the start of the programme of study, have not completed two years of sixth form study at another provider and meet regulations regarding nationality, residency and eligibility for study in the UK.

- 8.3. Where there are more eligible students than places, the oversubscription criteria will determine who is submitted.

### 9. Late applications

- 9.1. All applications received after the deadline will be considered to be late applications. Late applications will be considered after those received on time. If, following consideration of all applicants the school is oversubscribed, those who are not offered a place will be added to the school's waiting list.

### 10. Admissions of children outside their normal age range

- 10.1. Parents may request that their child is admitted outside their normal age group. To do so parents should include a request with their application, specifying why admission out of the normal year group is being requested and the year group in which they wish their child to be allocated a place.
- 10.2. When such a request is made, the Academy Trust will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the Principal and any supporting evidence provided by the parent.
- 10.3. The process for requesting such an admission is as follows:
- 10.3.1. With the application, parents should request that the child is admitted to another year group and provide the reasons for that request. Parents should submit any evidence in support of their case with the application, for instance from a medical practitioner, Principal etc. Some of the evidence a parent might submit could include:
- Information about the child's academic, social and emotional development
  - Where relevant, their medical history and the views of a medical professional
  - Whether they have previously been educated out of their normal year group; and
  - Whether they may naturally have fallen into a lower age group were it not for being born prematurely.
- 10.3.2. The Academy will consider each request on the basis of the circumstances of the case, taking into account the individual circumstances of the requirements and the child's best interests. The parents will be made aware whether the request for admission out of age group has been agreed before final offers are made and if necessary the reason for any refusal.
- 10.4. Request for admission out of the normal year group will be considered alongside applications made at the same time. An application for a child who would normally be a Year 8 child for a Year 7 place will be considered alongside applications for Year 7.

### 11. Waiting lists

- 11.1. The school will operate a waiting list for each year group. Where the school receives more applications for places than there are place available, a waiting list will operate until the end of the academic year. The list will

be maintained by the Academy and any child refused a place at the school will be automatically added to the list. The list will be cleared at the end of each academic year.

- 11.2. A child's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or is removed from the waiting list.
- 11.3. The school will also keep a list, ranked against the oversubscription criteria, of those applying for entry to year 12 who are not made a conditional offer by 27<sup>th</sup> May 2022. Any of those students meeting the academic entry criteria on 18<sup>th</sup> August 2022 will be considered for a place if any students who were previously offered places conditional on meeting the above academic entry criteria, do not achieve their grades.

### 12. In year admissions

- 12.1. In year admission will be dealt in accordance with this policy. The Local Authority operate a co-ordinated scheme for in-year applications. Applications should be made via the form available at <http://www.swindon.gov.uk/inyearadmissions>.

## 14. Notes and definitions

### 14.1. Home Address

The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received where the residence is split equally by the closing date for applications, the home address will be taken as the address where the child is registered with the doctor. If the residence is not split equally between both parents, then the address used will be the address where the child spends the majority of the school week.

14.1.1. If it is found that an application has been made using an incorrect address, based on the definition above, then the award of a place may be withdrawn.

### 14.2. Sibling

A sibling is defined as a child attending Great Western Academy at the same time as he or she is due to be admitted, who is:

- a brother or sister;
- a half brother or sister;
- an adopted brother or sister;
- a step brother or sister, or
- the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.
