

## Law Year 12 Summer Prep work

Welcome to Law at Great Western Academy! We will be studying the AQA A Level Law Specification. To give you a head start in your studies and to give you a background to A Level Law please complete the activities below and bring them with you on your first lesson in September along with a folder for your Law work.

1. Find out the difference between Civil and Criminal Law

2. Create a glossary of terms that we will use in A Level law using the link to the AQA website. Please make sure you get familiar with these key terms and their meanings over the summer.

<https://www.aqa.org.uk/resources/law/as-and-a-level/law/teach/subject-specific-vocabulary>

3. Research the case of Rylands Vs Fletcher and summarise the case and its outcomes.

<https://www.lawteacher.net/cases/rylands-v-fletcher.php>

4. Research a legal case involving a celebrity of your choice! Summarise the case and explain what the outcome was and why that outcome was reached. Try and use some the key terms from you glossary in your explanation!

Good Luck everyone and see you all in September!

Mrs Harris 😊
